CLAIM FOR SCHOOL TRANSPORTATION UNDER SDCL 13-20-3
EDGEMONT SCHOOL DISTRICT 23-1

Dear parent or guardian:

The information requested on this form will be used to determine the mileage reimbursement due for transporting your child (children) to school. By state law, the transportation allowance is forty-two cents per mile per family for distances actually traveled in excess of five miles each way for elementary students. No mileage may be paid for extra-curricular trips or for more miles than would be traveled on the shortest publicly used road. If children from more than one family are transported in the same vehicle, mileage payments shall be paid to only one family. The school board may authorize additional miles if prior approval is obtained to facilitate cooperative efforts among families to share transportation duties. Monthly claims for transportation allowance shall be filed with the school business manager no later than the second business day of the following month and will be paid on the 15th of that month. All claims must be filed by June 2nd of the school fiscal year in which travel occurs.
